IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application for:

Barin G. Haskell, et al.

Serial No.: 10/615,117

Filing Date: 07/07/2003

For: METHOD AND APPARATUS
FOR CONTROL OF RATE-
DISTORTION TRADEOFF BY
MODE SELECTION IN VIDEO
ENCODERS

Examiner: Shawn S. An

Group Art Unit: 2613

**STATEMENT CONCERNING PREVIOUSLY SUBMITTED INFORMATION
DISCLOSURE STATEMENTS**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants have prepared this statement in regards to two Information Disclosure Statements, the first submitted on September 16, 2005 (the "first IDS") and the second submitted on October 25, 2005 (the "second IDS").

I. IDS Submitted on September 16, 2005

As for the first IDS, Applicants have noticed that the Examiner has crossed off and did not initial certain references on the Form 1449A/PTO, submitted on September 16, 2005. These

Serial No. 10/615,117
Docket No. APLE.P0035
Client Docket No. P3088US1

crossed off references included three foreign patent documents (items 5-7) and three non-patent literature documents (items 10-12).

As for the non-patent literature, all items 10-12 are duplicate copies of references cited in a previous IDS submitted on April 19, 2004. These were mistakenly re-cited in the first IDS and do not need to be re-initialed by the Examiner.

On the other hand, the foreign patent documents (items 5-7) were not previously cited but they are counterparts of either USP 5790131 or USP 5923376, which are listed as items 1 and 4 in the first IDS. USP 5790131 or USP 5923376 were listed as references in the International Search Report, dated 03-12-2004, of a related PCT application. This International Search Report was previously cited in the April 19, 2004 IDS. Given that the foreign patent documents (items 5-7 in the first IDS) are counterparts of either USP 5790131 or USP 5923376, Applicants did not provide copies of these references, pursuant to Rule 37 CFR § 1.98(c), which states that Applicants do not need to provide copies of cumulative references.

Accordingly, Applicants respectfully request that the Examiner initial these references. To this end, Applicants have attached another copy of the 1449 form for the first IDS. In this attached copy, Applicants have crossed off the duplicate non-patent literature documents (i.e., items 10-12), which were previously cited in the IDS dated April 19, 2004. Applicants respectfully request that the Examiner initial and return the attached 1449 form.

II. IDS Submitted on October 25, 2005

As for the second IDS submitted on October 25, 2005, Applicants believe that they have timely submitted this IDS to the USPTO. Applicants respectfully request from the Examiner to make these documents of record. Applicants would appreciate the Examiner initialing and

returning the Form 1449A/PTO, indicating that the information has been considered and made of record herein.

Dated: November 11, 2005

Respectfully submitted,

By: 

Ali Makoui
